## SENIOR HANDYMAN PROGRAM

The Northwest Suburban Housing Collaborative (NWSHC) developed the Handyman Program for Arlington Heights, Buffalo Grove, Mount Prospect, Palatine, and Rolling Meadows. The NWSHC partnered with and provided funding for North West Housing Partnership (NWHP) to administer the program for senior residents in these communities in 2014.

Recently, NWHP has been able to expand this program to now include Des Plaines and all communities in Palatine and Wheeling Townships. If you are unsure which township you are in, NWHP can assist you.

NWHP is a HUD APPROVED non-profit housing counseling agency. Funding for portions of the Senior Handyman Program is provided by:
